

Guide on how to set up in the SourceLess ecosystem

Introduction

Welcome, this guide is a work in progress and will be updated if changes occur in the process.

Latest update: 14/03/2025

Getting started

Using the referral link you received from your mentor you will land on this page to create your account:

The screenshot shows a web page with a dark blue background. At the top left is the 'STR DOME' logo, and at the top right is a UK flag. In the center is a 'Create account' form with the following fields:

- Username**: A text input field with a placeholder 'Type username...' and an information icon.
- E-mail**: A text input field with a placeholder 'Type e-mail...' and a checkmark icon.
- Password**: A text input field with a placeholder 'Type password...', a checkmark icon, and an eye icon.
- Confirm password**: A text input field with a placeholder 'Confirm password...', a checkmark icon, and an eye icon.

At the bottom of the form is a blue 'Sign Up' button. A small green icon is visible in the bottom left corner of the page.

Enter all your information needed. Choose your username carefully, because it will be displayed in the binary tree system. After a successful registration you will receive the following screen:

Go to your email account and confirm the email received in your mail account

After confirmation and a successful login you will land on the Overview page.

To now start your journey in the binary tree we get you started with your own package. By clicking on “Upgrade Account” you will see two options.

You can choose between the Affiliate or the Influencer package. To continue, press on “Yes, upgrade!”

You will have to enter your invoice data. In the bottom left you can select your payment method. At this current point only Bitcoin and Ethereum are supported.

In the future card payments will be supported.

You will be directed to the payment provider CoinPayments. You receive a QR-Code for easy payment or you enter the address and amount yourself into the wallet/exchanger you are sending the money from.

If entered manually please be careful and check thoroughly to make sure it is entered correctly.

After sending your payment, wait for payment to go through. This might take a few minutes depending on the speed of the chain confirmations.

CoinPayments

Amount Remaining	Address	Time Left
0.07715 ETH	0xD0a34c... [redacted]	2:50:25

Make sure to use a regular send and not from a contract!

Make sure to send enough to cover any coin transaction fees! Only send this coin over the ETH network and make sure to use regular sends not via any kind of contract!

Payment ID: CPJC2ZAUCGIHIJ5ZCPNIUVJP9A
Verification Code: be6b5988e93e39ba272cc71bed57baeb (save in case there are any issues with your payment)

What to do next? +

1) Please send **0.07715000 ETH** to address **0xD0a34c469B1432d55e330DA1DFf8e1D262A87EdC**. (Make sure to send enough to cover any coin transaction fees!) You will need to initiate the payment using your software or online wallet and copy/paste the address and payment amount into it. We will email you when all funds have been received. You have 2 hours, 59 minutes, 57 seconds for us to receive confirmed funds. If you send funds that don't confirm by the timeout or don't send enough coins you will receive an automatic email to claim your funds within 8 hours. If you don't receive the email contact us with the information below and CoinPayments.net will send you a refund:

- i) The transaction ID: CPJC2ZAUCGIHIJ5ZCPNIUVJP9A
- ii) A payment address to send the funds to.
- iii) This verification code: be6b5988e93e39ba272cc71bed57baeb (to verify that you are the transaction sender.)

2) After sending payment, review the status of your transaction [on this page](#). Once the payment is confirmed several times in the block chain, the payment will be completed and the merchant will be notified. **The confirmation process usually takes 10-45 minutes but varies based on the coin's target block time and number of block confirms required.** The status page is available for the next 30 days.

What if I accidentally don't send enough? +

If you don't send enough, that is OK. Just send the remainder and we will combine them for you. You can also send from multiple wallets/accounts.

After the payment was received by CoinPayments the website will refresh automatically and will tell you if it was successfully paid. To return back to the STRDome Site, click on the button "Continue to seller's store..."

You will see this:

Navigating via Shop and Orders you can check the current order status of your package as well as any future orders you will do.

In case the order is still pending you will see this here. Even after a confirmation of CoinPayments it can take some time to be confirmed here as well. The website does not refresh automatically and needs to be refreshed manually to check the order status.

Set up your Network

After your account was set to active you will be able to see the Network tab:

View your tree

Here you are able to view your tree and get the links for your members to sponsor. By switching to tree view and scrolling down to the bottom your tree becomes visible.

Create direct links for a certain tree position

You can directly create a sponsoring link from your tree overview for a certain position by clicking on the green field with the plus button. You can copy and send the custom link directly to the person of your choice.

Adding members to the next available left or right leg

If you want to add members to the next available position on either your right or left leg, you need to go to Network < Team < Members registration

You can directly copy the left or right leg link from here.

The screenshot displays the 'Members registration' page. At the top, there is a navigation bar with a shopping cart icon, a notification bell with a '1' badge, a UK flag, and a user profile icon. Below this, the 'Registration links' section is divided into two columns: 'Left leg invitation link' and 'Right leg invitation link'. Each column contains a URL 'https://shop.strdome.com/signup' with a left-pointing arrow icon and a copy icon, respectively. A red box highlights these two links. Below the registration links is a 'Create custom invitation link' section. It features three tabs: 'Left Leg' (highlighted in green), 'Right Leg', and 'Custom'. Under the 'Left Leg' tab, there is a text input field containing 'https://shop.strdome.com/signup/c43922t' and another field labeled 'Your alias'. Below these fields, the text 'Your url is: https://shop.strdome.com/signup/c43922ba-7432-4493-a7a2-e4cf0139df1d/64d4ec02-1406-4b8c-b37f-76f510a685eb/' is displayed. At the bottom of this section is a blue button with a link icon and the text 'Custom invitation link'.

Buying STR Domain Packages

Your next big step is buying the STR Domains. Go to Shop < Sourceless Shop.

You can choose the domain package of your choice by clicking on it.

The screenshot displays the 'Sourceless shop' interface. At the top, there is a navigation bar with a shopping cart icon (1 item), a notification bell (2 items), a UK flag, and a user profile icon. The main banner features a digital head with circuitry and a padlock, with the text 'Sourceless Domains' in green. Below the banner, six domain packages are listed in a grid:

- Package 1 Starter:** \$500, 6 DOMAINS. Represented by a blue smartphone screen showing 'PERSONAL' and '6 DOMAINS'.
- Package 2 Bronze:** \$1.000, 13 DOMAINS. Represented by a gold smartphone screen showing 'PERSONAL' and '13 DOMAINS'.
- Package 3 Silver:** \$2.500, 34 DOMAINS. Represented by two silver smartphones showing 'PERSONAL' and '34 DOMAINS'.
- Package 4 Gold:** \$5.000, 71 DOMAINS. Represented by a white box containing a blue smartphone showing 'PERSONAL' and '71 DOMAINS'.
- Package 5 Platinum:** \$10.000, 150 DOMAINS. Represented by a black box containing a blue smartphone showing 'PERSONAL' and '150 DOMAINS'. This package is highlighted with a red border.
- Package 6 Diamond:** \$25.000, 415 DOMAINS. Represented by a white box containing a blue smartphone showing 'PERSONAL' and '415 DOMAINS'.

The buying process is the same as for the package you bought before. Click on "Buy now" and then "Proceed to checkout".
